

MATHER AEROSPACE MODELERS, Inc.

PRIVATE MEMBERSHIP APPLICATION FOR 2012

(Fill out, sign and mail this page)

I _____ apply for membership in the Mather Aerospace
(LAST) (FIRST) (MI)

Modelers Club with my main interest being in _____ and with the understanding that said applicant will, upon signing this document, agree to and be bound by the following:

- a. Members that operate rocket-powered devices (Rockets etc.) must have the National Association of Rocketry liability insurance.
- b. Members that operate U-Control or Radio Controlled aircraft must provide proof of their current Academy of Model Aeronautics membership.
- c. Each member agrees, as a condition of membership, that; in the event the club ever becomes indebted or liable to such member, whether adjudicated, admitted, or claimed and whether based upon contract or tort, said member will seek, request and demand satisfaction of such liability only from the assets of the club or its insurer. And each member hereby covenants not to sue or present any claim for liability of damage against any other member based upon a debt or liability of the association. And each member specifically waives and releases any and all rights which he or she may have to hold the other members individually liable for debts and/or liabilities of the club, except that such covenant, waiver and release shall not operate to preclude a claim or suit against those individual members who personally participated in the act or omission creating the debt or liability.
- d. Each member must read, agree to and sign the Safety Rules and Field Operational Rules form.
- e. Membership will be terminated:
 - (1) **When the member is delinquent in payment of annual dues**
 - (2) For cause as detailed in Article III Section 8 of the Bylaws of the Club.

I have been convicted of a felony..... Yes No

I have been evicted from another club or organization..... Yes No

I _____, have read and understand that in signing this document, I am required to fulfill my obligation in obtaining and maintaining the appropriate coverage as outlined above, and that I have read and will abide by all safety and flying rules including the MASM Field Operational Rules, MASM Field Regulations, and MASM Field Gate Rules.
